- All irrigation systems must include a testable backflow device.
- Backflow device must be tested and certified upon installation of the irrigation system.
- A rain and freeze sensor is required on all irrigation systems.
- Plans shall be submitted with permit application per section 344.61 of the TCEQ rules

The issuance or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance of the City of Bedford. Permits obtained shall not give authority to violate health and safety violations. The issuance of a permit based on construction documents and other data shall not prevent the building official from requiring the correction of errors in the construction documents and other data. I have read the completed application and know the same is true and correct and hereby agree that if a permit is issued all provisions of the City Ordinances and State Laws will be complied with whether herein specified or not. I agree to comply with all property restrictions. I am the owner of the property or the duly authorized agent.

- ☐ Submit application and pay by cash, check or credit card in person.  
☐ One time charge on my credit card. Application by fax or mail. (credit card payment form required)

Permission is hereby granted to enter the premises and make all inspections
